Ō Mercyful Goddess! Sister of my ŚRĪ RĀMA! I have now known the way to Salvation and have sought refuge in you alone. I have learnt the path by following which BRAHMA, INDRA and other gods and devotees have reached the ocean of eternal Bliss and swim in it, and I have found in you, the Protector of the distressed and the Fulfiller of the desires of those who have faith in you. You are the Mother who confers inestimable prosperity and wealth, who protects devotees, destroying the wilderness of their past KARMA. I have now understood how great sages of the world, by the glory of your grace, have freed themselves from the bondage of worldliness and attained eternal Bliss. That I have been privileged to witness the Friday worship of yours is due to my past lives' merits.I have learnt why great men consider that your JAPAM alone, through out one's life is the way to salvation.
