ŚRĪ RĀMA! Captivator of LAKSHMI's heart! Is your stock of grace exhausted? Know not when you will furnish. I won't tolerate, Lord, will you act now as I am breaking down under stress. They say that you are full of compassion. They talk highly of your compassion. One with face like red lotus! Grace me with a glance! Is it, the effect of my sin in the distant past or your indignation? How much longer is this pitiable plight of mine going to continue? Does this do credit to you? How long has your anger lasted? You are reputed to honour your word. Ō Lotus eyed! You ae the very emblem of patience, tranquility, and Truth Lord of devotees! You are All pervasive.
