I meditate on the Lord RAṄGANĀYAKA, who is with goddess RAṄGANĀYAKI. He is the father of Cupid and is the infinite one. He transcends everything. He has the great bird GARUḌA for the maunt and his eyes shower compassion. He is the dear one of RAMĀ.

His divine VIMĀNA is of the form of PRAṄAVA and He is adored by devotees like PRAHLĀDA. VISHVAKSĒNA occupies the foremost place as Lord GAṆAPATI does for PARAMAŚIVA. His army consists of elephants, horses and infantry. He is worshipped by Lord RĀGHAVA,born in the solar dynasty; is my source ,for the attainment of salvation. His abode is bedecked with gems. His face resembles that of a moon and He rests on a serpant couch. His eyes are like lotus; is worshipped by VIBHĪSHAṆA. He is adorned with inestimable KAUSTUBHA gem. His ardent devotees recite VĒDAs constantly.He is ŚRĪ NĀRĀYAṆA, the delight of GURUGUHA.
